Continuing Legal Education (CLE) Classification

Certified Paralegals (CPs) must complete a total of 50 hours of continuing legal education (CLE) programs, including a minimum of five (5) hours of legal ethics, during each five-year certification period. A maximum of 10 hours of non-substantive and three (3) hours of technology credits is permitted during each five-year certification period. Whether a program qualifies for substantive, non-substantive, legal ethics, or technology credit is at the discretion of the NALA Certifying Board.

All CLE for the recertification period must be entered into the NALA system prior to the certification expiration date. For instructions, [click here](#).

Below are examples of the CLE categories required to maintain the CP® credential:
