A Happy New Year to each and every one of you!

As you saw out the old year to see in the new, I imagine that many of you spent time reflecting on your life, thinking about your plans and aspirations for 2023, and catching up with friends and family. 2023 promises to be an exciting year and I am looking forward to working with you all – as individuals, organizations and experts.

PANO has an excellent future, and the PANO Board will work hard to ensure we remain dedicated to adhering to PANO's Mission Statement. As part of that we will be focusing on initiatives in the coming year, including:

- * Gathering & reviewing feedback of members from our upcoming Membership survey;
- * Building on the activities sponsored by PANO. These include our popular events which keep members up-to-date with the latest developments in the legal profession and provide great opportunities for professional networking;
- * Ensuring we continue to provide the right services to meet the needs of existing members and to attract and engage new members across our region;
- * Making sure that PANO remains a viable organization for our young professionals;
- * Continuing our commitment to community service by supporting our charity and food drive.

I hope you will all join me in looking forward to the coming year! On behalf of my fellow board members, I wish you and your families a prosperous 2023.
