**Serving on the board of directors of a national association requires a unique skill set that includes passion for the profession, an understanding of the association's mission and vision, and the ability to commit time and energy to advancing the strategic goals of the association. Tell us why serving on the NALA Board of Directors is important to you. Share your achievements related to board service and how your experience makes you suitable for the position.**

I am a corporate real estate paralegal in Omaha, Nebraska. I have been employed at Kutak Rock LLP for over 20 years and have been a paralegal for 15 years. I became a member of the Nebraska Paralegal Association (NePA) in 2009, took the CP exam and became a member of NALA in 2012 and obtained my ACP in 2017.

As a member of NePA, I served as Treasurer, Vice President, President and Past-President from 2014 through 2019 and am currently a member of their CLE committee. In 2019, I was elected as NALA's Affiliated Associations Secretary and will conclude my term as the Affiliated Associations Director in July.

Through the course of my legal education and legal field experiences, I have learned that regardless of our juxtaposition in the legal ecosystem, we still have so much to learn. As one of NALA's At-Large Directors, I hope that I can continue to shed light on the similarities and the differences that paralegals and paralegal associations encounter, so that NALA can remain a consistent resource for paralegals who are interested in learning from each other and making ourselves and our legal environments better for years to come.
