## Qualifying as a NALA Partner Testing Center

In 2010, the Certified Paralegal Exam transitioned from paper-pencil to computer-based testing. Today, the examination is available in all PSI testing center locations, located in over 250 testing locations across the country.

Employers, schools, and military bases that are not already designated as a PSI onsite testing center may apply to NALA to become a Partner testing center for the Certified Paralegal Exam. This booklet describes the requirements to be designated as an authorized testing center for the Certified Paralegal Exam and outlines requirements for proctors and examinees.

**Why Serve as a Partner Testing Center for the Certified Paralegal Examination?** Certification as a paralegal is part of the career management tools of all wishing to join this profession and make the paralegal profession the focus of their career life. For employers, certification provides that NALA has verified the education and experience background of the Certified Paralegal and that the paralegal has demonstrated knowledge and skills required to complete the written examination successfully. The examination has surpassed its 45th year of research and development.

The subsequent five-year recertification requirements also allow paralegal employees to demonstrate a commitment to continuing education and continued professional development.

Recognition of the Certified Paralegal program of NALA is nationwide. In private law firms, those with the credential generally have higher billing rates which are accepted by courts when awarding attorney fee award petitions. In corporations, the Certified Paralegal program is utilized as a means of providing a growth path for the paralegal staff members. For all, the CP® Program provides a win-win commitment. Providing the opportunity for students, employees, and military members to take the Certified Paralegal Exam on your premises offers the following opportunities:

### For Schools:

- Provide a program for students to help them become more competitive in the workplace, enhancing and supporting the degree earned.
- Allow students and graduates to participate in the CP® Program at a lower cost.
- Provide a welcome service to students, graduates, and paralegals in the community.

### For Employers/Military Bases (MB):

- Provide a service to employees that allows them to participate in the CP® Program at a lower cost.
- Use the CP® Program, including study and preparation, as an employee training/development program.
- Use the CP® Program as a means of reward for employees.
- Use the CP Program as a standard of excellence for non-lawyer services provided by the firm.

## **Qualifying as a Partner Testing Center (Schools/Employers/MB)**

If your school has a relationship with PSI and is a PSI designated testing center, your school is automatically a NALA testing center. No further information is needed or required.

If you want to administer the examination, and your school has an agreement with PSI, check with your school administration. It may be possible for you to administer the CP® Exam as you wish. This would result in **substantial savings** for your students.

Schools offering paralegal training programs may apply to be authorized testing centers for the Certified Paralegal Exam. The school should be a member of the American Association for Paralegal Education or offer a paralegal program that is approved by the American Bar Association. If the school does not meet either of these qualifications, graduates of the school must be eligible to take the Certified Paralegal Exam.

Employers throughout the United States are recognizing the value of the Certified Paralegal program and the growth path this provides for all non-lawyer legal staff. The convenience of offering the examination in the location of the employer is appreciated by the staff and human resources personnel. Generally, employers with a computer lab or training rooms with computer terminals will qualify.

Students or employees desiring to take the Certified Paralegal Exam must meet the requirements for taking the Certified Paralegal Exam. The requirements follow. There are no changes in the eligibility requirements with this procedure.

### **Examination Eligibility Requirements:**

1. Graduation from or completion of a paralegal program that is:

- (a) Approved by the American Bar Association; or
- (b) An associate degree program; or
- (c) A post-baccalaureate certificate program in paralegal studies; or
- (d) A bachelor's degree program in paralegal studies; or
- (e) A paralegal program which consists of a minimum of 60 semester hours (900 clock hours or 90 quarter hours) of which at least 15 semester hours (225 clock hours or 22.5 quarter hours) are substantive legal courses.

NOTE: Under Category 1(e), an applicant may combine college hours from more than one institution. The applicant must have graduated from a paralegal program consisting of a minimum of 15 semester hours (or 225 clock hours or 22½ quarter hours.) Evidence of the minimum hours required under Category 1(e) must be provided with the application form.

2. A bachelor's degree in any field plus one year's experience as a paralegal. Successful completion of at least 15 semester hours (or 22.5 quarter hours or 225 clock hours) of substantive paralegal courses will be considered equivalent to one year's experience as a paralegal.

3. A high school diploma or equivalent plus five (5) years' experience as a paralegal under the supervision of a member of the Bar, plus evidence of a minimum of twenty (20) hours of substantive continuing legal education credit to have been completed within a two (2) year period prior to the application date.

**What are the testing center requirements?**

**Equipment.** The examination is delivered via a secured internet connection. Through the internet connection, candidate responses to questions are recorded directly on the test server. The testing center is not required to download any programs or data.

Minimum requirements for examinee computers are:

<b>HARDWARE SPECIFICATIONS</b>	
<b>Minimum Memory</b>	4 GB RAM 20 GB free hard drive space
<b>Proctor and Examinee Operating System</b>	Windows 7, Windows 10 (32 or 64 bit)
<b>Video</b>	19" monitor - Landscape Orientation  1024 x 768 screen resolution or higher, 24 bit or higher.
<b>Pointing Device</b>	Microsoft or compatible mouse.
<b>Network</b>	It is recommended that networks be hard wired to the testing facility to avoid security breaches.
<b>Internet Access</b>	All stations must have internet access. No Laptops/ tablets are allowed.
<b>Bandwidth</b>	Broadband internet 5MB/s download, 1 MB/s upload per examinee workstation (minimum 10MB/s download and 5MB/s upload)
<b>Google Chrome</b>	Chrome is recommended for the PSI – DYI (Partner) Event Testing Console

Exam candidates are not allowed to access other websites or programs during testing, nor may candidates load information on the workstation drives. It is the responsibility of the testing center and proctor to ensure compliance with this requirement.

The workstation environment must be:

- Quiet, well lit, comfortable temperature
- Visible so that proctors can easily monitor examinees
- Clear of personal items. A place should be provided to store personal items, or they may be placed at the front of the room with the proctor.

NALA reserves the right to refrain from using a testing center based on examinee or proctor complaints, or upon finding the testing center equipment and environment do not meet the above specifications.

**Proctor Information.** Authorized testing centers for the Certified Paralegal Exam are required to provide proctors.

NALA requires that a proctor be designated and approved by NALA for each testing session. Qualified proctors include:

- Instructors (do not teach paralegal courses)
- Paralegal program directors (do not teach paralegal courses)
- Retired instructors or retired paralegal program directors
- Professional educators (other instructors at the school who do not teach paralegal courses)
- Professional proctors routinely used by the school
- Attorney/employers
- Human resource professionals
- Members of NALA with the Certified Paralegal credential (must be certified at least five years)

*Note: Paralegals who do not hold the NALA CP® credential are ineligible to proctor.*

Proctors are required to complete a separate form submitted with the Partner testing center application form. The purpose of this form is to identify proctors and record the proctor contact information. In addition, through this form, the proctor acknowledges that he/she is familiar with the workstations/computer lab the testing center will use, and that he/she will be available for further training by NALA, specific to proctoring the Certified Paralegal Exam.

The form also lists proctor duties, an attestation that the proctor will follow the duties, and a confidentiality agreement.

NALA reserves the right to refrain from using a proctor based on examinee or testing center complaints, or non-compliance with the proctor duties and confidentiality agreement. NALA will work with the testing center designee to locate another proctor, however, if one cannot be located, the testing center cannot be an authorized center.

Authorized proctors may serve as proctors for the Certified Paralegal Exam at any authorized testing center. Once a proctor is approved, a proctor form for subsequent testing windows is not required.

**Examinees.** If applicable, NALA requests that the testing center submit the application forms for all examinees as a group for processing. This will ensure that the examinees will be assigned to the specific testing center.

If the examinees will be filing application forms individually, NALA will accept a list of examinees from a proposed testing center. Students or employees who submit their application form directly to NALA should be instructed to note on their application that they will be attending the testing center provided by your school or business. Application forms must include all supporting documentation of eligibility.

Communications about the qualifications of examinees and information needed to complete an application for the Certified Paralegal Exam is directed to the examination candidates only. This is confidential information, and NALA is only able to discuss questions about the status of a specific examinee with the examinee.

All examinees must meet the requirements for taking the Certified Paralegal Exam. There is no minimum participation requirement for NALA authorized testing centers.

**This program is NOT for those applying for special accommodations available under the Americans with Disabilities Act. Those qualifying for accommodations under these provisions must attend an onsite PSI testing center.**

NALA requests authorized testing centers be available to others not identified by the school as examinees. This would include paralegals in the immediate community who wish to take the examination at the testing center, as well as new graduates, or those who are new to the community. Testing centers are contacted by NALA on a case-by-case basis as these requests arise.

## **Fees and Charges**

No payment to NALA is required to be an authorized testing center for the Certified Paralegal Exam.

NALA collects the required initial PSI testing center fee from examinees during the CP® Exam application process. This program allows the Partner testing center to charge examinees on a pro-rata basis for the testing center facility and proctor fees. It is the responsibility of the testing center to collect the fee, as well as fees from “no-shows” and dis-honored checks.

## **How to Apply**

Applications are accepted year-round and examinees are encouraged to submit the application as soon as qualified.

The Knowledge Exam section of CP® Exam may be administered anytime during the year, with the exception of federal holidays. The Skills Exam section of CP® Exam will be administered in four testing windows – February, April, July, and October with the exception of federal holidays. However, times must be provided to NALA in advance to allow time for the system to be updated.

Testing centers must be designated a minimum of one month prior to the opening of a testing window. Testing centers are encouraged to submit the required applications well in advance of the deadline to ensure the center is approved.

The following is required:

- Completed Partner Testing Center Application Form
- Completed Partner Testing Center Proctor Application Form (for each proctor)
- Completed Partner Testing Center Confidentiality Agreement Form (for each proctor)

Authorized testing centers for the CP® Exam are not required to re-submit application forms for each testing window. NALA will, however, check with testing centers on a regular basis to be sure the information is up to date.

Authorized proctors for the CP® Exam do not need to apply for each testing window. However, NALA will communicate regularly with proctors to ensure contact information is correct. New proctors are required to complete a proctor application form and be approved by NALA.

## **After Being Approved as a Partner Testing Center**

### **Scheduling the Examination Testing Times**

The Center may schedule testing for the Knowledge Exam at any time - depending on facility and proctor availability, except federal holidays, when server maintenance is performed.

The CP® Exam will consist of two required sections taken in the following order:

#### **Knowledge Exam**

- The Knowledge Exam will consist of multiple-choice questions covering the topic areas listed in the Exam Specifications on the website [www.nala.org](http://www.nala.org).
- The Knowledge Exam will be administered on-demand, year-round at testing centers with preliminary result reporting upon completion.
- Three (3) hours testing time will be provided for the Knowledge Exam.
- Candidates must successfully complete the Knowledge Exam in order to be eligible to take the Skills Exam.

#### **Skills Exam**

- The Skills Exam will consist of a written assignment; specifications are set forth in the Exam Specifications on the website [www.nala.org](http://www.nala.org). Examinees will be graded on their ability to:
  - identify which facts are relevant and state them concisely and accurately;
  - identify the threshold or main issue and any secondary issue(s);
  - identify the relevant legal authority and apply it to the facts; and

- draw persuasive logical conclusions.
- The Skills Exam will be administered during four testing windows each year: February, April, July, and October.
- Two (2) hours testing time will be provided for the Skills Exam.
- Scratch paper may be provided to examinees

Successful completion of both the Knowledge and Skills Exams is required to obtain the Certified Paralegal credential.

Those who appear at the testing center to retake a section of the examination are not required to follow a specific schedule and may take the section needed at any time the testing center is opened by the school, business, or military base. The tests are timed by the examination software, however, proctors will be provided the time schedule for their information. NALA must be advised of the schedule adopted by the testing center a minimum of two weeks in advance of the first test session to provide sufficient time to send the required exam materials.

### **Summary Of Details Needed For All Testing Centers**

Planning for a testing window begins well in advance of the first day of testing. To provide for a smooth testing session, information about the examinees, schedules, and proctors is needed. An email message is sent to all testing centers requesting this information. This information must be received in order to provide the required information for the exam administration.

### **Deciding If the Center Is Open Only to Students or the Public**

Testing centers may be open only to employees, students, graduates, or to all in the area who need to take the examination, as determined by the testing center. The following procedures will apply:

<b>The Following Procedures Are For All Partner Testing Centers:</b>
<ul style="list-style-type: none"> <li>• Proctors are required to complete the proctor training and submit proof of completion.</li> <li>• NALA will email the group unlock event code and the one time password (OTP). This information is REQUIRED for the testing.</li> <li>• Advise NALA of any changes in scheduling.</li> <li>• NALA will also advise the testing center contact if we hear from examinees regarding a schedule change.</li> <li>• All examination materials, including login credentials, are confidential. Care must be taken to ensure all information pertaining to the examination is properly secured.</li> </ul>

**If your center is ONLY open to a group of students or others who are known to you:**

- Your center name will not appear on the list of approved testing centers on the NALA website.
- You will need to provide a list of examinees to NALA 15 days prior to the opening of the testing window.

*NALA will verify that the examinee applications are approved for the window.*

- You will need to advise NALA of the testing days and times for the examinees at least two weeks prior to the first testing session.
- It is recommended that the center establish a specific schedule – it is much easier to work with examinees if a schedule is published.
- NALA needs to know the schedule so the testing system may be updated. The actual schedule is up to the center to set. NALA will make examination assignments available at any time during the testing window.

*NALA requires all new proctors to participate in proctor training prior to the opening of the testing window. The training is web-based but must be completed prior to proctoring the exam. Proof of completion is required. Proctor credentials will not be released without verification the training has been completed.*

**If your center is open to ALL eligible examinees:**

- Your center name will appear on the NALA website at: <https://nala.org/certification/examinee-information/> (under the PSI Partner Testing section)
- Please provide the following information for the website at least 15 days prior to opening of the window:
  - Contact person and email address
  - Dates and schedule for exam sections
  - Cost (determined by centers)
  - Appointment notes
  - Cancellation notes
- Please provide a list of examinees to NALA at least 15 days prior to the opening of the testing window, **if known to you.**
- For those who are **not** known to you, examinees will submit a schedule to you through the NALA website at site at: <https://nala.org/certification/examinee-information/> (under the Partner Testing Centers section, then click your location's name). From a link on the contact person's name, an email window will open and the examinee will complete a schedule form. When completed, the email will be sent to NALA and to the testing center contact at the same time.
  - NALA will verify if the person is an approved examinee. Please be sure you receive this authorization prior to scheduling an appointment from the examinee.
  - NALA will advise the testing center proctor if the person is authorized to take the exam.

**If an examinee contacts you without using the link, please contact NALA so we may verify eligibility and note their testing schedule.**

When your center and proctors are designated as examination centers, we will ask if your center is open to all or just your students or employees.

## **Examinee Experience**

Examinees at NALA authorized testing centers will experience the same rules and regulations required of examinees of onsite testing centers and remote proctoring, including:

- Showing proper ID before entering test room
- Agreeing to the terms and conditions of test delivery

The Board Policy statement and Terms and Conditions documents are attached. This requires examinees to:

- Honor confidentiality of the exam
- Follow rules of proper conduct
- Follow instructions of proctors

Examinees will be provided their login ID by NALA. This information is required to login to the computer-based testing website. Further details will be provided to the testing center contact and proctor for review upon receiving approval from NALA as an authorized Partner testing center.

## **Testing Terms and Conditions**

You are asked to agree to the following terms and conditions related to computer-based delivery of the Certified Paralegal examination any time you sign-in to the test website. This information was provided to you with your examinee information from NALA.

PLEASE read the following carefully – some of the terms are duplicative of requirements of PSI testing centers, others are specifically required of all NALA examinees.

By clicking “I accept these terms and conditions,” you are agreeing to the following:

- I have read the “Policy Statement” and I am familiar with its provisions.
- I will be continuously monitored during my appointment.
- I consent to video and audio recording of my test session and to the examination of the video and/or audio recording of my test session in the event any questions should arise concerning possible violations of the procedures and/or rules of the test center. (May not apply to all centers.)

- I will only use authorized computer equipment.

- If I have questions or concerns about the test environment, I will quietly notify the test proctor.

- I will report all problems related to the testing center, proctor, or computer delivery of the exam to the proctor immediately and NALA afterward.
