

DISC BOARD: Unethical Behavior

Post an initial response to the Discussion Board question by Thursday, 11:59 p.m., approximately 100 - 200 words. Post a response to at least two of your classmates' responses by Monday, 11:59 p.m., approximately 50 - 100 words for each post. The purpose of Discussion Board is to promote thought and generate discussion. This is a scored exercise.

For the discussion board this week, watch the video, *Paralegal Ethics - Identify the Issues*

https://www.youtube.com/watch?v=tHpwhngZ_3w&t=1s

The video is 7:56 minutes long. Please stop watching the video at 5:45 minutes. For your initial post, identify at least three unethical issues committed by the paralegal. For each unethical issue, review the [California State Bar Rules of Professional Conduct](#) and provide the rule number and its content that applies to the unethical behavior.

For your two responsive posts to your classmates, review NALA, NALS, or NFPA Code of Ethics and Professional Responsibility and provide the rule number and its content that applies to each of the three unethical behaviors outlined by your classmate.
